Annexure-1

The labeling requirements on product/packaging shall be as below:

1. The words: "*self declaration - conforming to IS* _____, *R* _____ shall be visibly and legibly included preferably in the data plate or any other label typically containing marking like ratings, specification, sr. no., model no., brand name etc that is affixed to the product and also show any other certifications that the product may have obtained.

or

2. Where the compliance statement is not a part of the data plate, it may be affixed visibly, legibly and indelibly on the product by any of the following means:

a) Printing/Screen printing
b) Embossing
c) Engraving
d) Separate metallic labels (Aluminum deposition with plastic/metalized polyester) or Sticker made of PVC/PET/Polycarbonate/Polyester/Polypropylene/BPA or any other similar material

3. Where the compliance statement is affixed by way of a separate metallic/sticker as in 2 d) above, the same shall be permanently affixed inside a separate label slot in a manner so as to remain on this product till the end of the life of the product. The exemption for separate label slot is permitted till 31 December 2015 or for a period of six months from the date of release of BIS logo, whichever is earlier.

4. The above statement shall also be printed on the packaging at prominent location. The statement can be affixed by way of tamper proof and non-removable stickers of any material on the packaging.

5. The compliance statement on the product as well as the packaging shall be affixed/marked at a prominent location or at any other place so that it is clearly visible to the user. The display of words of statement shall be of a minimum font size of 12 or 1/2 of the size of the brand name whichever is lower, subject to a minimum of 6 font size. However, it shall be similar in size of other certification marks.

6. In case of product which are too small in size and the statement cannot be marked on the product, the same shall be given on the packaging and accompanying document. The marking on the product shall neither be omitted nor be removed to the packaging or accompanying documents on purely aesthetic grounds.

7. In general, all markings required to be the equipment shall be durable and legible, and shall be easily discernable under normal lighting conditions.

Unless otherwise specified, Instructional safeguards do not have to be in colour. If an instructional safeguard is in colour, the colour shall be in accordance with the ISO 3864 series. Markings that are engraved or moulded need not be in contrasting colours provided that they are legible and readily discernable under normal lighting conditions. Printed or screened marking shall also be permanent.

8. The durability of marking shall be as per the procedure given below.

a) Each required printed or screened marking shall be tested.

b) Testing procedure : The test is conducted by rubbing the marking by hand without appreciable force for 15s with a piece of cloth soaked with water and at a difference place or on a different sample for 15s with a piece of cloth soaked with the petroleum spirit (Petroleum spirit is a reagent grade hexane with minimum of 85% n-hexane).

c) Compliance Criteria : After each test, the marking shall remain legible. If the marking is on a separable label, the label shall show no curling and shall not be removable by hand.

d) In case the durability of marking has already been tested as a part of the relevant product safety standard it need not be tested separately.

Dear Sir/Madam,

With reference to your online application dated 27-07-2019 for renewal of the above mentioned licence; this is to inform you that the same has been renewed from **07-09-2019** to **06-09-2021**.

It may be noted that the said licence granted under clause (b) of sub section (2) of section 13 of the Act shall *lapse* at the end of the period for which it is granted unless renewed or its renewal is deferred. You are, therefore, requested to apply for next renewal to BIS within three months before the expiration of the licence.

Thanking you.

Yours faithfully,
Peeyush Prakash
