

**Translation of Test Certificate No. 9952351020**

Issued under Section 12 of the Standards Law, 1953

**Details of order:**

Name of customer	: Nemko
Address	: P.O. Box 73, Blindern, N – 0314 Oslo, Norway
Date of order	: 2019/05/13

**Description of the product:**

Computer Equipment		
Model tested	: VER5000WF0	Server
Manufacturer	: Network Engines, Inc.	
Country of origin	: USA	

**Nature of test:** Model test within the framework of market tests: Verification of a certificate for recognition

Compliance with the requirements of the following standard:  
SI 60950 Part 1-“Safety of information technology equipment: General requirements” dated November 2015.

This document contains 3 pages and may be used only in full.

The test results in this document refer only to the item tested.

This document is not a Standards Mark license

**Test conclusions:**

The tested product does not comply with some of the clauses of the standard tested. Details are found in the inner pages of this document.

Remarks:

Completion test for CB Test Certificate No. NO105412 issued by Nemko, Norway, Dated 31-01-2019.

This Certificate valid only with a plug and a supply cord which comply with the Israeli standard.

Name and address of the applicant: Network Engines, Inc  
25 Dan Road Canton, MA 02021-2817 USA

The original test certificate was signed by:

Name : Daniel Pinhasov                      Position: Senior Practical Engineer                      Date: 2019/06/30  
Year/month/day

I confirm that this is a true translation of the Hebrew original. Only the original test certificate is authentic

Name : Chet Sefi                       Position: Head of Communication / Power Supply Branch                      Date: 2019/06/30  
Year/month/day

**Translation of Test Certificate No. 9952351020**  
 Issued under Section 12 of the Standards Law, 1953

**Details of non-conformances**

The tested product does not comply with the requirements of the following clause:  
 1.7- Marking and instructions  
 The following clauses didn't tested:  
 2.201- Electromagnetic Compatibility  
 The tested product complies with the remaining requirements of the clauses to which it was tested.

**Broadened description of the product:**

Description:

**For Model VER5000WF0**

**VERITAS**  
 Model: VER5000WF0  
 This device complies with Part 15 of FCC rules. Operation is subject to the following conditions. (1) This device may not cause harmful interference and (2) this device must accept any interference received, including interference that may cause undesired operation.  
 CAN ICES-3 (A)/NMB-3(A)
