Conditions of issue

This certificate is issued in terms of the NRCS Act No. 5 of 2008 and remains at all times the property of the National Regulator for Compulsory Specifications. It is issued subject to the conditions detailed below, and may be withdrawn or cancelled at any time, at the sole discretion of the National Regulator for Compulsory Specifications.

1. This certificate is issued without alterations or changes. Any alterations or changes will render it invalid, and may constitute a criminal offence.
2. This certificate is valid only until the Expiry Date stated overleaf, thereafter application should be made for the issue of a new certificate.
3. This certificate is issued for use only by the applicant stated overleaf. This certificate may not be given/ sold/ ceded/ traded to any other party, and use of this certificate by any party other than the stated applicant is an offence.
4. This certificate is issued only for the product specified overleaf and may not be used for any other product, whether similar or not.
5. This certificate is issued only for the specified products, samples of which were submitted for testing. Should any changes be made to the product that could effect compliance with the requirements, or should a different manufacturer be sourced for supply, then the applicant shall submit further samples for testing and approval.
6. The applicant undertakes that he, or his appointed agent, shall present the original of this certificate, and one photocopy to the relevant Customs and Excise clearing officer each time a consignment of one or more of the products stated overleaf is cleared for import into the Republic of South Africa.
7. **Please note** that the National Regulator for Compulsory Specifications maintains constant surveillance in the market and acts on all complaints received from any source. The NRCS will take immediate action against sellers of non-compliant products and apply the sanctions prescribed in the NRCS Act.
